Policies

Cancellations

Because our services are reserved especially for you, as a courtesy to our clients and our staff of professionals, we require 24-hour cancellation notice for any single service and a 48-hour cancellation notice for all weekend appointments, multiple services, spa packages or groups of 2 or more. A major credit card or gift certificate number are required to secure your reservation. Late cancellations will incur a 50% charge of reserved services or redeemable gift certificate value. Any no-show or calls to cancel within 2 hour of service will incur a full-service charge unless it is able to be rebooked with another client.

Children

Minors (17 and under) are welcome with a guardian's approval. Guardian must be present at time of check-in to approve services. Guardians are welcome to stay in the service room during the treatment. Mandatory guardian presence is required for children under 12. To ensure all of our guests have an enjoyable experience, we ask that you refrain from bringing children to your appointment unless they are also scheduled for an appointment. If you have children in your group getting services, they need to be accompanied by an adult the entire time they are here. Since our clients come here to relax and unwind, we expect that children enjoying our services will be respectful of both clients and our service staff.

It is never too soon to make your spa appointment. Advance reservations are strongly recommended. Please be aware that our weekend prices may be higher due to demand. In order to reserve your appointment, you will be asked to provide a credit card or Gift card number at the time of booking.
